

Dissemination Tempus EANET

Why (Objectives) To inspire partners and (potential) stakeholders to connect with EANET and share knowledge and experience regarding entrepreneurial issues.

How (Means) Frequent internal and 'glossy' external newsletter, magazine (IHE), documentary film(s) (Mary), and website publications (EANET's own plus partners') containing highlights / achievements of each partner in the project. Stories told to inspire, impress and seduce the reader to become a part of the network.

Dissemination is the window to the world to promote our achievements.

Who (Target group) Faculty and Staff of partner universities of EANET project, alumni of partner universities, investors, participating nations, students of partner universities, all other universities, entrepreneurs in the countries involved in the project, government officials in science, education and economics, venture labs, and technology transfer institutions (innovation facilitators), existing networks.

What (Content)

- Internal Newsletter: As is, plus your stories of events held and successes of your network participants (alumni entrepreneurs)
- External Newsletter: Please send well told stories with photo's of your presented highlights during PSC4, connection science, entrepreneurship & innovation (appendix 1)
- Monthly "entrepreneurs in the picture" (interview one of few successful alumni entrepreneurs)
- Monthly "projects in the picture" (newsflash of remarkable events related to EANET)
- Documentary / Film reports by Mary Benjamins
- IHE Magazine containing your highlights as well told stories and pictures
- Events (posters, leaflets, hand-outs, contact info)
- Report to EU containing our progress, achievements and ambitions, by updating your achievements in [EANET Project result control](#)
