

# Website of BUKEANA

http://bukeana.info/

The screenshot shows the homepage of the BUKEANA website. At the top left, there are social media icons for Google+ and Facebook. To the right, there are navigation links for 'Home' and 'Contacts', and a search bar with the placeholder text 'Search here...' and a 'Search' button. The main content area features the BUKEANA logo on the left, which is a globe with colored segments and the acronym 'EANET'. In the center, the text reads 'BUKEANA Bukovynian Entrepreneur Alumni Network Association'. On the right, there is the European Commission logo and the word 'TEMPUS'. Below this is a dark blue navigation bar with white text links: 'Home', 'About Us', 'Events', 'News', 'EANET Newsletter', 'Media', and 'Contacts'. The main content area is divided into two columns. The left column contains a paragraph about the integration of students at Yuriy Fedkovych Chernivtsi National University, followed by a paragraph about a meeting with professor Ihor Mehlinskyi, and a list of three areas of business activities. The right column has a 'Future Events' section with two entries: 'April 2016: PSC4 meeting in Moldova April 3,4,5 and 6th at ASEM' and 'International Highlight event in Moldova (WP5.2) has been postponed!!'. At the bottom right, there is a 'News' section header. The bottom of the page is partially cut off, showing the start of another paragraph.

The TEMPUS Entrepreneur Alumni NETWORK (EANET) project is a project funded under the European Commission's Education, Audiovisual and Culture Executive Agency (EACEA). The Grant Agreement (544521-TEMPUS-1-2013-1-DE-TEMPUS-SMHES) signed between the Grant holder, Hogeschool van Amsterdam (HVA), HVA being the Coordinator of the project and the EACEA on 28-4-2014. The project duration is envisaged for 3 years, it can be prolonged until all the objectives of the project are reached.

The project is focused on creating of a working international entrepreneurial ecosystem of entrepreneur alumni, young founders, so that universities, companies and more students, graduates and HEI staff would be able to get in contact with the entrepreneurial world. New start-ups will arise.

Wider objective of the EANET project is to establish Entrepreneur Alumni Networks (EAN) at 11 HEIs in Ukraine, Moldova and Georgia which support the entrepreneurial spirit among students, scientists and alumni and raise an entrepreneurial ecosystem in Georgia, Moldova and Ukraine

Specific project objectives are

- to create entrepreneurship-related associations at HEIs

### Future Events
